

GREAT FLORIDA RIVERWAY REUNION

FEB. 4, 2023

LAKE APOPKA | SILVER SPRINGS | PALATKA | JACKSONVILLE

People who love the Ocklawaha and St. Johns Rivers and Silver Springs are coming together to celebrate, connect and take action to reunite the Great Florida Riverway by breaching the Rodman/Kirkpatrick Dam. It's not just one big reunion, but a series of events from the headwaters at Lake Apopka to Jacksonville where the great riverway meets the Atlantic.

Events are scheduled at Lake Apopka, Ocala Boat Club at Ray's Wayside Park on the Ocklawaha River, Azalea Brewery in Palatka and Riverfront Amphitheatre at Jacksonville University.
